Oregon Spine and Disc - FINANCIAL POLICY

Co-pay is due at the time of service. We do not send you a bill for your co-pay. We do not build your second insurance but will be happy to give you a statement for you to bill your insurance.

It is the patients responsibility to know their insurance benefits, the co-pay or deductible. We will help you in any way we can but not all the information is available to us.

If your deductible has not been met, you are responsible to pay in full at the time of service.

Any service rendered but not covered by your insurance (electro-stim, laser, trigger point or massage) is due at the time of service at a discounted fee.

We do not offer payment plans but except major credit cards with no fees to you.

If there are any patient balances or insurance adjustments credits, we will notify you by mail and phone.

Remember, we offer great discounted time of service (cash) fees for anyone who does not have insurance or chooses not to use their insurance.

*** Patient is ultimately responsible for any balance not paid by insurance.**

***You must notify us of any changes in your insurance policy or carrier.**

Thank you, billing staff.

I have read and understand the policy.
